**NAME:** \_\_\_\_\_  
**ADDRESS:** \_\_\_\_\_  
**PHONE:** \_\_\_\_\_

Use this form to call, email, or fax Vivian Matuk to place orders for any of these materials at (415) 352-3647, [vivianm@bcdca.gov](mailto:vivianm@bcdca.gov), and (415) 904-5216.

✂-----✂

**The Clean Boater Pledge**

Here's how it works:

- At the end of your visit with each boater, ask the boater if he or she would be willing to take the pledge to be a clean boater.
- Keep the pledge form (included in this mailing) attached to your clipboard (which you can order from us).
- Have the boater read and sign the pledge form.
- Give the boater a sticker to post on a window or windshield.
- Return the pledge form to us when you are finished Dockwalking.
- You will be eligible to win a jacket from West Marine, based on a random drawing of three Dockwalkers from a list of names of those that have sent back pledge forms with boater signatures (see information included in this mailing)

**Don't forget the essential principles of Dockwalking...**

- (1) *You must have taken the Dockwalker training to distribute kits from the Boating Clean and Green Campaign and represent yourself as a Dockwalker.*
- (2) *Please remember that you are an EDUCATOR, not an enforcement officer. Limit your activities as a Dockwalker to education and outreach.*
- (3) *Be polite and friendly at all times.*
- (4) *Contact a marina operator or harbormaster before Dockwalking in that facility to make sure that they support your efforts. At least two weeks before you plan to Dockwalk, call or drop in and describe the type of education you do. Show them the boater kits and emphasize that educated boaters help to keep marinas clean. Sometimes the marina will have to provide you with keys or other access to locked gates.*
- (5) *Make sure you know about local marina waste disposal (oil, sewage, and absorbent pad) facilities and local household hazardous waste facilities before you start Dockwalking. Check out the Tide Tables in the boater kits. They list marina oil and sewage facilities. Call 1(800)CLEANUP for local disposal information.*

**Questions?** Contact Miriam Gordon at the California Coastal Commission, (415) 904-5214, [mgordon@coastal.ca.gov](mailto:mgordon@coastal.ca.gov), or Vivian Matuk at BCDC at (415) 352-3647.
